Experience

UX Designer WEX

Apr 2021 – Present | Portland, Maine (Remote)

Part of a distributed, international design team working on enterprise financial software. Collaborate with product and research teams to understand personas, user flows, goals and pain points. Create UI patterns, wireframes and prototypes. Design components for the WEX design system.

UI/UX Design Mentor Springboard

Nov 2020 – Present | springboard.com

Conduct weekly one-on-one meetings with UI/UX design track students to provide course guidance, review assignments and share feedback on projects. Currently mentoring four students.

UX/UI Designer KeyBank

Aug 2020 – Apr 2021 | Cleveland, Ohio

Reframed product requests as user-centered design problems. Collaborated with product and research teams to understand personas, user flows, goals and pain points. Created UI patterns, wireframes and prototypes. Designed components and assets for the KeyBank design system.

Graphic Designer The Ohio State University, Department of Athletics

Jan 2018 – Aug 2020 | Columbus, Ohio

Created and managed design work for various teams and non-sport areas. Projects included apparel, branding, facility graphics, events and promotions, recruiting, fundraising and ticket sales. I was responsible for leading creative from beginning to end and communicating with clients and vendors.

Graphic Designer The Ohio State University, Administration & Planning

Jan 2016 – Dec 2017 | Columbus, Ohio

Provided design, branding, marketing and communication solutions for the departments within A&P. Supported university safety initiatives by creating campus-wide campaigns and events. Led marketing for UniPrint (Ohio State's official printer) and updated and migrated the UniPrint website to Drupal.

Design Associate Tavistock Group

Jun 2014 – Jan 2016 | Orlando, Florida

Provided design, marketing and communication solutions for clients in the Tavistock portfolio. Created materials to strengthen branding, promote events and offers, increase sales and assist with business development. Worked as one of the lead designers for the 2015 PGA Tour Hero World Challenge.

Graphic Design Professional Intern Walt Disney World

Jun 2013 – Jun 2014 | Orlando, Florida

Designed internal communication materials on park operations, safety, special events and employee benefits for an audience of 90,000+ Cast Members. Assisted with the layout of *Eyes & Ears* magazine and illustrated a *Sleeping Beauty* wallpaper for the Disney Parks Blog.
